

As a 67-year resident of Felton, I have deep roots and a lifelong love of our community and the Felton Fire Department volunteers. My father, brother and husband were all Felton volunteer firefighters and served on the district board of directors. I have been a Felton Fire Department Auxiliary member for 47 years.

I deeply understand the commitment and challenges of our volunteers and their families. Having recently retired, I have 51 years of banking experience and decades of service on local boards, including the Felton Fire Auxiliary, the Felton Cemetery Association, and the San Lorenzo Valley Chamber of Commerce.

I am ready to put my expertise and experience to work as a director on the Felton Fire District Board of Directors.

I am running for the Board because I believe we need to rebuild trust, secure the Department's financial stability, and ensure our volunteers have the support they deserve. My years in banking and community service makes me uniquely qualified to address the challenges our Fire District faces, and I am ready to serve.

I am honored to be endorsed by community leaders who have confidence that I know what it takes to lead the Felton Fire District into a bright and secure future.

Let's protect Felton's future—together.
